**live it**

# WOODLANDS CAMP

Ireland

**8 - 14 Years Old | 90 Campers**

Located on the shore of Lake Koshkonong, in Edgerton, Wisconsin. Two hours north of Chicago, Illinois and 25 miles from Madison, Wisconsin.

Oak International Summer Camps are an unforgettable experience. We offer your child the chance to experience a new culture, make new friends, practice a second language, grow in faith, and explore various athletic, cultural and recreational activities.

## English Lessons & Irish Tie Exam

The Woodlands Camps is recognized by ACELS, a service of Quality and Qualifications Ireland, for English Language Teaching (ELT). Throughout the Woodlands Camp, our students are taught to deal with everyday written and spoken English. All students over 11 years old and participating in the four full weeks, are eligible to take the TIE English examination, which is aimed at children in primary and lower secondary education.

For more information see [www.tie.ie](http://www.tie.ie) or contact [woodlands@arcol.org](mailto:woodlands@arcol.org)

## English Campaign

Throughout the camp, weekly English campaigns are carried out where students earn English tokens and use them at the English Campaign shop! The tokens are accumulated through learning new words, writing English book reviews, and a general noticeable improvement in English speaking.

Special English awards are given out during camps as well as a prize every two weeks, where five students are taken off campus with our Director to the famous Avoca, where they are congratulated on their English efforts over Avoca's famous Irish hot chocolate!

## Facilities

Bedrooms accommodate 4 to 12 campers. Classrooms, computer labs (including an iMac lab), science lab, library, chapel, dining areas, playroom, two indoor multipurpose courts, piano lounge, Irish dancing studio, state of the art dance studios, new art room, various living rooms for the girls' use, beautiful grounds including a secret garden. Horse riding facilities 5 minutes away.
